Description

Devastated by war, the Eisen homeland is a reeking cesspit of mud and disease. Her people have been scarred by the destruction, but their experiences have given them strength few Theans possess. However, unless one of the Iron Princes finds the strength necessary to reunite their nation, it's only a matter of time before a greedy neighbor invades and destroys them all. Contains in-depth material about her kingdoms and her most important people, as well as Eisen history and culture. Also included are Advanced Mass Combat rules and six new Swordsman Schools, plus new Advantages, Skills, and Backgrounds, many of which can be purchased by any Hero.
