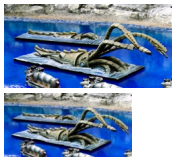
Empire of the Blazing Sun Ika Class Mechanical Squid



The Empire of the Blazing Sun has gone for a death from below option with this mechanical horror. The heavily armoured body of this beast allows it to absorb punishment as it approaches and slam into the target. Weapons mounted to the tentacles allow it to engage enemy models. The main body of the Ika is water-lined and made from high quality resin, and a water-lined base depicting the Ika submerged is also included, with the tentacles made from pewter. Each blister comes with one complete Ika and one submerged base.
