Description
Skorne: Zaadesh

Contains one unassembled and unpainted metal model.

Few house leaders demonstrate the cunning and ambition that Tyrant Zaadesh does, and only time will tell if he is destined for a fast rise or a tragic fall. His warbeasts respond to his will like regimented soldiers in an army, reacting in lockstep to their master. Together with him his beasts function as a cohesive force, each acting in concert with the others to trample his foes with incredible coordination.
