Description
Take control of a warcaster and an army of devastating warjacks and soldiers in this action-packed 32 mm tabletop miniatures game set in the steam-powered fantasy world of the Iron Kingdoms.

WARMACHINE: Prime thrusts you into this war-ravaged world with:

• Complete core rules for the game, packed with examples to illustrate key concepts.

• In-depth histories of the powers of the Iron Kingdoms and the conflicts that have shaped them, from the noble nation of Cygnar and the conquest-driven empire of Khador to the nightmare domain of Cryx and beyond.

• A selection of detailed model profiles and game stats for the powerful characters, warjacks, and soldiers to help you muster a customized army for combat.

• An instructional painting and hobby guide that will show you how to bring both your miniatures and your tabletop battlefield to life.

• A summary of the rules for HORDES, the fully compatible companion game that shows the savage side of the Iron Kingdoms.
