Description

Orboros: Warpborn Alpha Unit Attachment

Contains one unassembled and unpainted metal model.

Ravenous and brutal, warpborn alphas are fearsome combatants that lay low enemies and feast upon them even as they die screaming. Warpborn led by an alpha become filled with similar bloodlust, speed, and ferocity, able to tear through enemies with unhesitating enthusiasm. They attack in a blurred frenzy, seeking victory but prepared for death amid the blood and viscera of those who stand against them.
