Description

Rage Across New York is the first chronicle setting for Werewolf.
It includes:

-Descriptions of the Garou tribes and their nemeses spread across the state, from the spiritual enclaveof the Black Furies to the darkest, festering secret of the Wyrm: the seventh Generation.

-The "real" history of the New World and New York State.

-Encounter suggestions providing opportunities to strike a blow against the Wyrm, including a battle map for running a detailed combat in the dank sewers of the "The City"
