Description

Once respected members of the warrior caste, the Praetorians now known as the Legends of Halaak spent the early years of their careers clashing with one another in house feuds. It was not until their houses were destroyed that Valgesh, Cidaar, and J'Deth would join forces and earn greater acclaim. When Supreme Archdomina Makeda overthrew Vinter, this trio of renowned warriors went west to offer their services to House Balaash.
