Description

Spacemaster: Privateers is the perfect way to start your adventures with the ultimate science fiction role playing system. In the dynamic Privateers setting, you and your players play a part in the last, desperate gamble to win a war against an evil driven by insanity. Everything you need to play - combat, character creation, a complete setting, starships, and even psychic powers - can be found in the pages of this one book! Once you're up and running, other Spacemaster support books add even more flavor, detail, and action to your game. The wonders of the future can be yours today!
